

Privacy Policy

Information we collect about you.

Colchester Climbing Club (The Club) collects data from its members via the membership form filled in annually. This information is used to register you with the BMC and to enable the club to communicate all relevant information with you.

You will be required to opt into sharing your data by ticking the relevant box on the membership form and signing to acknowledge.

How we use your information.

Registering your information with the BMC will enable them to communicate with you about your membership and entitle you to the combined liability insurance cover offered as part of an affiliated club. The BMC will contact you and invite you to create a 'Member Profile' that, amongst other things, will allow you to amend your privacy settings. More information can be found at www.thebmc.co.uk/privacy.

The Club will only use your data to pass onto the BMC for registration, as detailed above, and to communicate with you in a way you would reasonably expect by being part of a club. These communications would involve; Club Trips, Socials, The AGM, Clothing Orders, Quarterly News and any important information we share with a legitimate interest.

How we store your information.

The Membership Secretary and the Communications Secretary will keep your information in a password encrypted MS Office program that only they can access. This will then be reviewed at the end of the year with members filling in a new form and "opting in" to the club retaining your information for another year. Failure to "opt-in" will have your details permanently removed from the database and all communication ceased. If at any time during your membership you wish to opt out, have your data removed or view what data is kept on you then you only need to speak to the Membership Secretary and they will action your request.

Every effort is taken to protect your personal data, once we have your data, strict procedures security features will be used to prevent unauthorised access.

Personal Data will not be passed onto any third parties.
